

DONNA S. CONLEY

AUTHOR OF THE WILD MOON HEALING SERIES

WILD MOON HEALERS®

HOLISTIC WELLNESS AUTHOR & SOMATIC PRACTITIONER

ABOUT THE AUTHOR:

Donna S. Conley is a holistic wellness author, breathwork practitioner, Reiki Master, and certified health & wellness coach. Through her Wild Moon Healers® platform, she blends mental-emotional science with grounded spiritual self-care to help people find peace, clarity, and alignment by working with, rather than against, their natural rhythms.

Her work has evolved into books, courses, meditations, and community events that support healing through reflection, embodiment, and energy awareness.

“

“I use the moon as a mirror—not for mysticism, but for mental health.”

”

BOOKS FEATURED:

Through lyrical storytelling and grounded wellness practices, Wild Moon Healing invites readers to follow the rhythm of lunar cycles as a mirror for emotional healing, personal growth, and spiritual alignment. Blending psychology, chakra wisdom, and mindful living, the series guides readers to reconnect with their intuition and create intentional change—one moon phase at a time.

These books bridge modern mental-health awareness with timeless spiritual practices, appealing to readers seeking calm, purpose, and connection during seasons of transition.
